### **Thanks**

Thank you so much to all the volunteers at the Fireworks night who made the night possible and to everyone who attended and spent their money!

FOSA members past and present, Governors, teachers and teaching assistants, Mrs Parton, and Mrs Brown, (and their families), came together and worked hard to ensure the night went with a bang and everyone was kept safe.

We extend our gratitude to local businesses Chatwins, Clewloes and Morrisons in Nantwich for their generosity and support. The profit raised for the school was a massive £2287.78 and without people coming to the event and spending money and supporting the school that amazing amount of money raised would not be possible so thank you to everyone.

In addition thank you to everyone who supported FoSA by donating prizes, as well as those who bought tickets, for the raffles at the nativity and choir performances last week, we really appreciate it.

All the funds raised go directly back into the school to benefit our children.

Thank you so much to those who have continued to support St Anne's school PTA, we continue to be a group of a few mums and dads doing our best in our busy lives to try and organise events for the children to enjoy and raise much needed funds for the school. We will shortly be voting on what to spend the profits from the fireworks on as there are various projects and needs within the school that current funding is not meeting.

We could really do with more members and more ideas and more volunteers at events if they are to continue, if you feel you can help in any way please get

in touch with any of the FOSA members as mentioned in the last newsletter or email [fosa.pta@gmail.com](mailto:fosa.pta@gmail.com) or pop your details in the FOSA comments box in the school foyer and someone will be in touch.

### **Future Events**
