'Christ at the heart of all we do'

Dear Parent/Guardian,

Thank you to all parents/ carers for your support over the past few weeks. The systems are working smoothly and I 'm very proud at how the children are settling back into school. The teachers are very proud of all of them!

I am anticipating that this academic year will be a mixture of face to face teaching in the classroom and home learning for your child i.e. there will likely be further remote teaching if there is a local lockdown and/ or your child's class bubble closes due to a positive case of COVID-19.

As such, I have devised a questionnaire to consult with you on how best to support you in developing your child's learning at home. I realise that nothing is definitive at present but it is prudent for us to think ahead now. Can I ask you to please complete this questionnaire so that we can learn about the experiences of every single pupil working at home and better understand your perspective as a parent/ carer?

After receiving guidance from both Cheshire East LA and National guidance, it is clear that we do need to have a more robust system of home/ distance learning in place and this needs to be ready to be implemented as soon as lockdown or a class bubble closure takes place. There will be an expectation that all children complete learning at home and there will be direct contact with the teacher much more regularly online.

In relation to home learning, we need to know:

- What worked well for you and why?
- What didn't work well for you and why?
- Moving forward, what will help further?
- What training you would like to support your child in online learning?
- What resources you need to support your child in online learning?

I want to consult with you, as parents/guardians, as the evidence in research would indicate that effective partnership with parents enables the best outcomes for children. We all want what is best for your child and our staff really appreciate and value the opportunity to work in partnership with every parent/ carer in our school community.

Please, please, please complete this survey and don't hesitate to ask for help if required. We can improve our practice if we get constructive feedback. The questionnaire is on the following link. You can also find it on our website under 'Whole School Home Learning.'

Very many thanks in anticipation for your efforts in this.

Yours Sincerely

A handwritten signature in black ink that reads "N. Ferguson". The signature is written in a cursive, slightly slanted style.
