22<sup>nd</sup> July 2020

Dear Parent and Carers,

I simply can't believe that we are at the end of the academic year. Despite being very intense and stressful, the past 17 weeks have flown by. School has been a very different place since we closed our doors to the majority of children on 20th March and school staff have taken the ever changing guidance and expectations in their stride, ensuring that they have provided the very best for our children and families at this time of uncertainty. I am extremely grateful to have such a strong and supportive staff and parent team working with me and I look forward to leading St. Anne's into it's next phase.

I'm sure you'll all agree that the staff now deserve a well-earned break over the summer. Staff will therefore not be monitoring their e-mails or Cass Dojo over the summer holidays. They will pick up their e-mails again week beginning 31<sup>st</sup> August.

I look forward to welcoming everybody else back to St Anne's in September where together we will learn to adjust to a new way of working.

I wish you all a wonderful, restful summer and hope that you get time to appreciate your amazing children.

Take care, stay safe and God bless.

Yours Faithfully

Nuala Ferguson
