

A note from Mrs Ferguson

We come to the end of another week at St. Anne's. The school has been a hive of activity. Our children who are self-isolating at home have shown such resilience. Our prayers and thoughts are with those who are currently ill with Coronavirus and other illnesses at this difficult time.

We've welcomed 5 new governors this year. A warm welcome to Jon Knapper, Simon Reynolds as parent Governors, Jane Harris, Brenda Dowson and Debbie Penny as Foundation Governors. We have had our first 2 committee meetings over the past week. Governors are happy with schools current risk assessments and procedures that are in place which is great. Thank you to all families who have been supportive of these measures.

Staff are now beginning to think about what we might be able to do in school this year to celebrate Christmas. Our usual nativities and carol concerts will not be possible so we are getting creative to ensure that we make this important time in our liturgical calendar extra special.

Have a lovely weekend.

N. Ferguson

Scripture for week ahead

"You must love the Lord your God...You must love your neighbour as yourself"

Matthew 22: 34-40

A big shout out to all the children self-isolating at home due to Coronavirus. You are AMAZING and we miss you! Thank you for doing the work set by your teachers. We can't wait to have you back in school!

Community Hub—We need your help!

We are pleased to announce that Fr Tony has so far raised approx £150,000 towards the community hub which will be an invaluable asset to school. We need another £18,000 approximately before we can get planning permission to start building. If you can help in any way, it really would be appreciated. The quicker we raise the money, the quicker we can start building. Please click on the following link to donate.

It really will be an amazing addition to our school provision which will ultimately benefit the children of St. Anne's

Whole School **95.66%**

1st Place: **YR5 99.34%**

2nd Place: **YR 6 98.67%**

3rd Place: **YR1 97.88%**

I know that some children are self-isolating due to Covid but these absences will always be taken into consideration.

Well done for hitting our target this week!

Recovery Curriculum

Mrs Ferguson will be hosting a zoom meeting for any parent who would like to find out more about St. Anne's Recovery Curriculum and what school are doing to ensure the children have settled back into school smoothly and any gaps in learning are addressed.

Join her on **Tuesday 20th October** to find out more. A link will be sent out to parents on Monday.

School Lunches

After half term we will be returning to our original hot menu and sub bar; you will have been forwarded a link to this week but it is also available to view on our website.

Friday Special

Children who bring a packed lunch are welcome to enjoy a 'Friday Special' cooked lunch on a Friday, for £2.20, payments for this should be made via school money and the children should notify their class teacher on the day.

Snack Bar

We appreciate that it is difficult to manage snacks now that the children are unable to cash in to school. It is important that snacks are paid for over the weekend prior to the following week and only for ONE week at a time. Any snack payments that are made mid week will not be picked up and your child may not receive their snack.
