

Christ at the heart of all we do

Edition 4

25th September 2020

A note from Mrs Ferguson

Welcome to the end of another busy week. What a way to end the week -- yellow day!

The school was a sea of yellow and bubbles were full of laughter and smiles to raise awareness of World Mental Health Day 2020. I gave the children 3 challenges this morning.

1. To say something kind to their teacher.
2. To wave and smile at a friend (that maybe in another bubble).
3. To make someone laugh.

I wonder who completed all 3 challenges?

The children have also been learning about what it means to be happy and how to deal with worries or anxieties.

At this moment in time, it is so important that we look after each other, care for each other and support each other in any way we can.

Have a lovely weekend everyone.

Recovery Curriculum

I will be hosting a zoom meeting for any parent who would like to find out more about St. Anne's Recovery Curriculum and what school are doing to ensure the children have settled back into school smoothly and any gaps in learning are addressed.

Join me on **Tuesday 20th October** to find out more. A link will be sent closer to the time.

Yellow Day

St. Anne's Remote Learning Plan.

The government, last week, has now written into the Coronavirus Act 2020 that schools have to provide, by law, a contingency plan in case of school or bubble closures. This will have been e-mailed to you today. Please familiarise yourself with this document. If you have any questions please contact your class teacher.
