### A note from Mrs Ferguson

It has been an incredibly challenging half term for all of us, families and children as well as staff, and we have all had to adjust to school being very different and working in different ways. I cannot express strongly enough how proud I am of our pupils who have adjusted to many new things, settle back into routine so well and continued their learning. It has been great to see some normality and some of the things that children really enjoy doing in school.

School staff and I are so grateful for the incredible support of our parents and families during the half term. The conversations and 'thank you' comments on the gate really do go a long way.

Please continue to be vigilant and careful over the half term and we look forward to welcoming you back on Monday 2nd November.

*N. Ferguson*

*thank you!*

As a result of your generous donations, St Annes has raised a total of £143.00 for MIND and £120.00 for Macmillan from 'wear yellow' and 'non uniform days'

### A note from FOSA

Hi Everyone, obviously given the current situation it has been impossible to hold our usual events so far this year. By now we usually would have held the Bedtime stories and a bingo night plus we would be planning the Christmas disco. I am hopeful that we will be able to hold these events and many more once restrictions are eased.

In the meantime we are looking at a couple of possible events we can hold safely during Covid times...watch this space!

There is a great way we could all buy into to raise money for F.O.S.A. The easy fundraising website is so easy to use. You simply go onto the website at [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk), select your chosen charity: Friends of St. Anne's - Nantwich and then select the retailer you wish to shop with. Shop as normal through their site and a percentage of your spend will go to your child's school. All major retailers are taking part in this such as Amazon, Boots, eBay, Argos and M&S. Just think how much money we could raise if everyone connected with the school used the site for their online shopping!
