Dear Parents and Carers,

We have been invited by Morrisons plc to participate in a Remembrance Day initiative based in Nantwich town centre.

St Anne's Primary has been asked, for as many children as possible, to decorate and varnish a stone with a Remembrance Day theme- poppies, soldier silhouettes, crosses etc. (Children can sign and date their stone also- stone size has not been specified, and so that would be entirely up to yourselves.) These stones will then be displayed behind the cenotaph in the town centre, and then moved on to the civic centre.

The deadline for the stones to be returned to school is the morning of Tuesday 2<sup>nd</sup> November 2020. These will then be delivered to Morrisons.

We think this is a wonderful opportunity for the children to have their personal work displayed in Nantwich for all to see, and for the school community of St Anne's to proudly show their support and respect for the those we honour and remember around this time of year.

Yours faithfully

C Alcock

Acting Deputy Head
