Easter Holiday Arrangements 2017

Dear Parents & Carers

We are writing to solicit the views of parents & carers with regard to the arrangements for the School Easter holidays in 2017.

For background St Anne's is expected to follow diocesan guidance with regard to the setting of term dates. The policy of the diocese is that pupils should attend school for a significant part of Holy Week. Due to where Easter falls in 2017 and the closeness of SAT week, this has given governors issues in how to accommodate a two week break over Easter and comply with the diocesan requirements, whilst also given due consideration to the effect of having differing holidays from the Secondary schools.

The current proposals being put before governing bodies are:

	School	Finish	Return
Easter 2017 Good Friday 14.4.17	STM	Friday 7 th April	Monday 24 th April
	St Anne's	Thursday 13 th April	Tuesday 2 nd May
	Brine Leas	Friday 31 st March	Tuesday 18 th April

Whilst one of the governors' duties is to ensure the Catholic ethos of the school is maintained and diocesan policy followed, in this matter we would welcome the views of all parents and carers. If you could respond by Friday 22nd January by using the form overleaf we would be most grateful.

Yours sincerely

Head Teacher
