

Christ at the heart of all we do

Edition 11

20th November 2020

A note from Mrs Ferguson

Advent Day looked a bit different this year due to our classes working in bubbles, but we have enjoyed it just as much! We kick started the day with a lovely pre-recorded Advent reflection that was led by Year 6; a lovely reflective way to begin our Advent day which taught us about the real meaning of Advent, a time to prepare to welcome Jesus into our hearts. Please click below to listen to their prayers and reflections.

The children then spent the day in the classrooms making their Advent promises and hanging them on our tree, completing their Advent activity books which were kindly provided by Fr. Tony and the parish, decorating the classrooms and taking some time to reflect upon the real meaning of Advent. Thank you to all the teachers for making this day a day that the children always look forward to. Have a lovely weekend.

We are delighted to be working more collaboratively with Cheshire East and that the school, nursery and out of school club provision will be overseen by the school Governing Body.

If you would like to find out more about the nursery or out of school club, and the provision available at Sunflowers, please contact Leah
